

ACPS'S GOT TALENT

We are holding the grand finale of the ACPS Talent Quest for any students in Stage 2 or Stage 3 on Thursday 10 December in Week 10 at 9.10am-11.10am.

Auditions to be held in Week 9-10. Students can only be in one act and if chosen for the grand finale the same act will be presented.

They can be in groups, however must be from the same class.

Acts can include, musical talent, dance (no acrobatic skills), skits, comedy routine, poetry and impersonations.

Acts must be visible from the stage in the hall: therefore magic acts are not encouraged.

If you have any questions please ask Mrs Davidson or Mrs Jones.

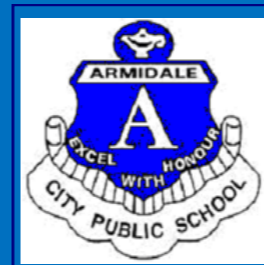

THANK YOU,
THANK YOU,

P&C NEWS

So many things to say thank you for this week:

The cupcake stall was a great success. There was a fantastic number and range of cupcakes donated and the kids enjoyed spending their gold coins for a treat. Thank you to all those who spent time making the beautiful cupcakes and to the grown-up and kid helpers on the two stalls at recess as well as in the afternoon. We'll let you know how much we made next week.

Thank you too for supporting the Pizza meal deal for Oliver Freeman. We raised enough money to cover the fee that he has pay to attend the National Athletics. Thank you to Madeleine for donating extra money and leftover items to the P&C. Again, thank you to the parent helpers, especially those who came on both Monday and Tuesday! We wish Oliver all the best at Nationals!

We've had a large number of kids and some adults respond to the BIG projects survey. Thank you for all those great ideas! There is still time to have your say about what projects the P&C should pursue. Go to www.surveymonkey.com/r/K8ZXMBD and answer the two easy questions. Check the ACPS Facebook page for easy access to the link.

We managed to cover a number of books on Friday but there will always be more. Be on the lookout for another working bee in the New Year.

PRINCIPAL'S REPORT—WEEK 8

Congratulations to **Mrs McGregor** and her class for gaining the first place prize in the Sam Lewis Peace and Environmental Award. This competition asked the children to develop pieces of work that encouraged working together to promote peace and care for the environment. It is yet another significant achievement for Armidale City Public School.

Swim School will be starting next Monday. This program is for the children in Years 3-6 and is a vitally important part of the PDHPE curriculum. Swimming is a skill that all children need to be proficient at, especially with the upcoming summer holidays. Please ensure that your child returns all money and has their swimming costumes every day for the next two weeks.

As the year draws to an end, I would like to remind the children that appropriate behaviour and application to learning is still expected at Armidale City Public School. The same rules and consequences still apply right until the last day of term.

The end of year is fast approaching. During this time we are lucky to be able to celebrate the achievements of the children. This year we will be holding three separate assemblies to acknowledge the achievement of the children. The first assembly will be next Thursday at 10am for the Sports Awards. On Monday 7 December at 10am will be the Arts Awards and Wednesday 9 December at 10am will be the presentation of the Principal's Medallions and the announcement of the School Councillors.

Thank you to all who have supported the recent fundraisers held at the school.

A reminder, that this Friday is our Parent and Community Helpers Morning Tea. It will be held in the Library at 11am. We would dearly like to see you there as our way of thanking you for all your hard work. Your support and help add to a wonderful community feel to our school, and helps make everything run smoothly! Thank you.

Relieving Principal

We invite the Parents and Carers to stay and be entertained after the K-2 Sports Day as the 3-6 Orchestra will be performing out on the basketball court. This will be followed by the Drumming Group.
