## PRINCIPAL'S REPORT—WEEK 9

The countdown is most definitely on. Summer is upon us, which brings with it swim school. We ask that all children remember to bring their swimmers each and every day. It is vital that everyone wears their broad brimmed hat at all times.

The children at Armidale City Public School need to be congratulated for wearing their uniform consistently for the entire year. It is always wonderful to look out over our school, at any point, and see so many children wearing their uniforms with pride. It demonstrates the positive attitude we see at Armidale City Public School every day. Well done!

This week we will be having the Sports Assembly on Thursday at 10am. Monday next week at 10am will be the Creative Arts Assembly and on Wednesday at 10am will be the Principals Medallions Assembly and announcement of the School Councillors. We hope to see you there.

If you know of any friends, neighbours and family members who are still considering enrolling their child at Armidale City Public School next year and have not informed the school, please remind them to do this ASAP.

Currently the staff are finalising the individual student reports for Semester 2. Reports are written based on the progress made in Semester 2 against the syllabus outcomes. Effort levels are overall grading information per Key Learning Areas. Please keep in mind that the children have two years to achieve the outcomes in a stage.

At this time of the year there are lots of out of routine activities that the children are participating in and we appreciate the support of parents and families making sure that the children have everything they require.

**We invite the Parents and Carers to stay and be entertained after the K-2 Sports Day as the 3-6 Orchestra will be performing out on the basketball court. This will be followed by the Drumming Group.**

## LIBRARY BOOK MUSTER
