### PRINCIPAL'S REPORT

If you have been around the school this week, you may have seen the addition of some colourful equipment in the Kindergarten and Year 1 playground. This equipment was jointly funded by the school and our P&C. It provides our students with a wider range of activities that will encourage discussion between children. Parents are reminded that children are not permitted to play on the fixed equipment before or after school.

We have a limited number of tickets available for the matinee performance of our annual school play. The students have been busy rehearsing, with every child involved. Like you, I am looking forward to seeing the performance.

In the past week, we have received a number of requests to receive student reports prior to Monday, 17 December. Reports will not be available prior to this date. If children are not at school to receive their reports on this day, these can be collected from the school before or after the holidays.

As part of the regional tour of the 2018 Archibald Prize travelling exhibition, the Tamworth Regional Art Gallery invited students to enter the Young Archie competition. Students were asked to draw a portrait of someone who played an important role in their life. The winner and five finalists in each age division will have their entries exhibited beside the Archibald Prize finalists from 20 December. A number of students from Armidale City Public School sent portraits for consideration. Our congratulations go to **Jolanda** on being named a finalist. Families are invited to attend the gallery from 5pm on 20 December, where the winners will be announced. The free exhibition will be available until 28 January, 2019.

As the fire season is well under way, this is a good time to consider any fire escape plan you have. It is recommended that your plan is practised at least twice a year. We always hope that there is never a reason to implement this type of plan; however, not having a plan leads to greater chance of a tragedy occurring.

Due to a storm last week, there is a need to extend swimming lessons to next Monday. A new permission note will be sent home to cover the additional day. Please return this as soon as possible.

We still have two weeks of valuable learning time left before the holidays. Parents are reminded that all absences need to be explained within seven days of the first day of absence.

Our final P&C meeting for the year is being held in the library this evening from 6.30pm. All parents are invited to attend.

Please find at the back of this newsletter, a nomination form to fill parent vacancies on the School Council.

Parents of Year 6 Aboriginal and Torres Strait Islander students and the Year 6 students, who are attending Armidale Secondary College next year, are reminded that there is a morning tea being held at the Duval High School Yarning Circle tomorrow from 10am.
